

Our Mission is to promote and enhance addiction professionals & providers in areas of treatment, education, prevention, and advocacy.

One of our goals as an organization is to ensure that certification/licensure candidates meet all requirements and are competent to serve the public. With this in mind, we work with the ADRA to ensure appropriate standards and valid and reliable testing instruments are utilized in the addiction professional field.

Our team also promotes appropriate proposed legislation that impacts the fields of addiction and professionals not just in Louisiana but also nationally.
